### NAPLAN School Readiness Tests

NAPLAN is moving online. This means moving NAPLAN from the current paper-based tests to computer-based assessments. The transition to NAPLAN Online at Al Noori will commence from 2019. Students in Grades 3, 5, 7 and 9 will soon be taking part in the NAPLAN *School Readiness Tests*.

The school readiness test provides the platform for schools to undergo training exercises in preparation for going online in 2019. The school readiness tests will not result in any academic reporting for students, families or schools.

### Road Safety

Students, parents and members of the wider school community are requested to exercise greater care and caution when driving around the school or when crossing the road.

The morning drop off and afternoon pick up times are extremely busy for all schools, adhering to the road rules and exercising increased caution will ultimately ensure a higher level of safety for all members of the community.

The support of all members of the school community is much appreciated.
