SCHOOL NEWSLETTER

ISSUE 12 | FRIDAY 17TH SEPTEMBER 2021

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

وَإِذَا سَأَلَكَ عِبَادِي عَنِّي فَإِنِّي قَرِيبٌ أُجِيبُ دَعْوَةَ الدَّاعِ إِذَا دَعَانِ فَلْيَسْتَجِيبُوا لِي وَلْيُؤْمِنُوا بِي لَعَلَّهُمْ

2:186

And when My servants ask you, [O Muhammad], concerning Me - indeed I am near.

I respond to the invocation of the supplicant when he calls upon Me.

So let them respond to Me [by obedience] and believe in Me that they may be [rightly] guided.

WE LOVE OUR STUDENTS – WE ARE GROWING CHAMPIONS!

Dear Parents/ Caregivers,

Assalamu 'alaikum wa rahmatullahi wa barakaatuhu.

As we reach the end of Term 3, we would like to congratulate our school community on successfully completing ten weeks of remote learning. We have been very impressed with the flexibility and resilience shown by every student, parent, and teacher. We want to thank you for your cooperation and perseverance with supporting your children with online learning this term.

The school is always guided by the public health orders in place and the Department of Education, in consultation with NSW Health. At present they are in the process of planning for a safe return to school for all students. We will communicate more detail in early Term 4 based on health advice.

We wish all our community a safe and happy holiday. We pray that the restrictions will soon be lifted, and we are eager for all our students to gradually return to school over Term 4. We know students are all missing their friends and teachers. We are also missing the students and parents. We look forward to a safe face-to-face return to school.

WHOLE SCHOOL

RETURN TO SCHOOL IN TERM 4

The NSW Premier announced a Back-to-School Road Map which outlines a staggered return to school. The staggered return to face-to-face learning can only be implemented By Al Noori Muslim School if the current 'Stay at Home' orders are lifted before the 25th of October in this LGA.

Further to this, if COVID-19 case numbers are still significantly high in this LGA, online learning will have to continue.

The current Back-to-School Road Map is as follows:

- From the 25th of October- Kindergarten & Year 1 will return to school.
- From the 1st of November- Year 2 & 6 will return to school.
- From the 8th of November- Year 3, 4 & 5 will return to school.

We look forward to a decline in case numbers in this LGA, 'Stay at Home' orders to be lifted and for our students to return to face-to face learning.

COVID AFFECTED FAMILIES

We want to wish all the families affected by COVID the very best in health and make dua for your speedy recovery. May Allah (SWT) keep our community safe from all harm.

SCHOOL ADMINISTRATION OFFICE

Since Canterbury-Bankstown was placed on Level 4 restrictions, all schools in our area were strongly urged to reduce the staff numbers to the absolute minimum needed to meet the immediate needs of the school.

All communication with the school must be via phone or through email. Please continue to follow the COVID-19 restrictions and the NSW Health advice and do not come into the school office.

MESSAGE FROM THE SCHOOL PSYCHOLOGISTS

Whilst school holidays are usually a time when we book as many outings and outdoor family activities as possible, a school holiday in lockdown doesn't necessarily mean we need to be 'trapped inside' or that things need to be 'boring'.

Let us be determined to find the silver lining in this situation and ensure we can all still enjoy some time off.

There are a multitude of activities which could be enjoyed together as a family, so take your pick! Go on your daily nature walks to help clear your minds and refresh; bake together; take out those board games which have been collecting dust; video call extended families and loved ones; have family movie nights; build a fort together; do some art on the sidewalk with chalk or water paint; DIY home projects; do science experiments together; host a home LEGO building championship- the possibilities are endless Don't be afraid to get creative and just have fun with it. Most importantly, we also need to set aside some time to rest, rejuvenate and recharge for the term ahead.

Everyone did an amazing job with online learning this term, so let's all commit to taking the time this school holidays to do the things we truly enjoy and appreciate the countless blessings we must be grateful for.

Not only do we ask Allah (SWT) to help us get through this lockdown safely, but also cherish with a full heart the memories made together as a family which inshaAllah will last a lifetime.

KINDERGARTEN TO YEAR 6

PARENT TEACHER INTERVIEWS

Parent/ Teacher Interviews will be conducted in Term 4. Class teachers will contact parents to discuss the student's progress. These interviews will provide an opportunity for parents and teachers to set goals for the student.

Our teachers look forward to contacting you.

THE SCHOOL PHOTOGRAPHS

The school photographs have been delivered to school. We will be distributing the photographs to the students upon their return to school. We are grateful to have had the opportunity to take photos in 2021 and for our students to have these wonderful memories.

Term 3 Kindergarten

Congratulations on the successful completion of Term 3. Your work this term has consistently impressed your teachers. The work samples submitted as part of the Exposition Writing Unit, My Family, My Culture and My Heritage Unit and Seasons Unit have been outstanding.

PLAY, LEARN AND GROW ... TOGETHER!

Term 3 Grade One

Grade 1 students are growing into independent learners! Their work as part of the Explanation & Poetry Units shows their great ability to write text types. A standout this term has been the work submitted as part of the Visual Arts Unit; Artist Studies- Van Gogh & Pablo Picasso. The work samples are so creative.

Well done to the students for their hard work and perseverance. Thank you to the wonderful parents for their support and thank you to the teachers for making online learning meaningful, interactive, and enjoyable.

YEAR 7 TO YEAR 12

Although Term 3 presented its challenges in teaching and learning, we commend the school community on maintaining their positive mindset and resilience.

Throughout the term, our staff made the effort to accommodate for student learning by adapting the programs, assessments, and teaching strategies to ensure the best possible outcomes through remote learning. Despite the improvisations, we have seen positive interactions and strong communication between school and home to ensure a continuity of learning for all students.

Our Wellbeing Coordinators and School Psychologists were in contact with students and parents over the phone and through email to maintain student attendance and engagement. The weekly wellbeing check-in emails also sought student feedback and as a result several improvisations in relation to assessments were made.

We ask Allah (SWT) to grant all our community members every success in their endeavours and hope for a safe return to face-to-face teaching. It is vital that we all rest and rejuvenate over the two-week holiday break as Term 4 will undoubtedly bring a repeat of this term's challenges.

Term 4 will begin with remote learning from Tuesday, 6th October 2021 until further advice.

HSC STUDENTS

The HSC timetable has now been released and is available individually to Year 12 students on the NESAs website. All written exams will still be held, beginning on 9th November 2021, and ending on 2nd December 2021.

The school will communicate how that will be managed prior to the commencement of the HSC examinations. We wish our Year 12 students well in the HSC examinations, and remember, NESAs have made it clear that no student will be disadvantaged by the public health orders that have been in place over Term 3.

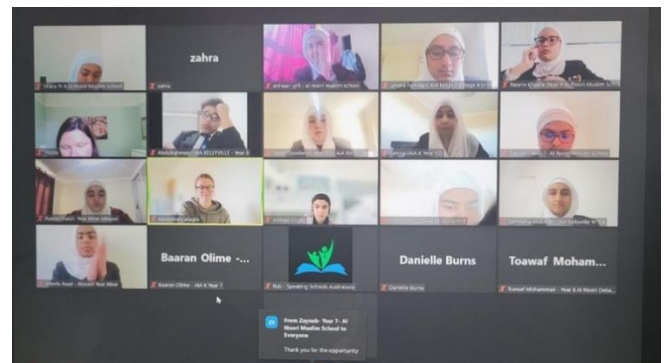

ONLINE ISLAMIC SCHOOLS DEBATING COMPETITION

Al Noori Debating Team defeated the Australian International Academy (AIA) Kellyville Debating Team in the inaugural Online Islamic Schools Debating Competition. Both our Stage 4 and 5 teams tackled important contemporary issues involving law and order and social responsibility with insight and articulation

illustrating their ongoing commitment to academia and proactive citizenship.

Both schools performed well and represented their schools with pride. This online debating opportunity provides our students with a valuable experience to network with other students and to develop their communication skills.

Thank you to Mr Sowaid and Ms Issa for organising and preparing the students for the debate. Congratulations to all the participants and all the best for the next round.

We pray for everyone's safe return to school soon.

Wassalaam
